

Health Education Network– August 7, 2007 (1:30- 4:00pm)
3530 Wilshire Blvd., LA 90010—8th Floor Conference Room C

Today's Meeting:
Looking Upstream:
Using Health Policy to Enhance Health Education

Purpose of Health Education Network Meetings:

1. To provide a health education forum for countywide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators' professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

Desired Outcomes of this Health Education Network Meeting:

1. Learn about the nearly implemented countywide Food Policy.
2. Learn about current work in the field of tobacco-related health policy.
3. Clarify the implication of these projects on health education staff's role within Los Angeles County.
4. Identify health policy priorities for the health education profession within Los Angeles County.
